NO d. OL/HOME reports that room 1D4040 has been plagued with repeated water leaks whenever there is heavy rain. As an interim measure, a trough has been installed in the ceiling to divert the water until the weather improves, and a permanent solution to the problem can be scheduled. Some exterior excavation work will be required.

STAT

STAT *MP* e. OL/HOME reports that some delays in external building furniture deliveries may be experienced with the closing of the furniture assembly area [redacted] The closing was necessitated by the relocation of OMS/Safety Staff to [redacted] STAT [redacted] Furniture has been pre-assembled at the warehouse for delivery to either Headquarters or external buildings. After closing this room, furniture assembly will now take place in the external building hallways and offices.

MP f. OL/~~HOME~~ has completed the revalidation of carpool applications on the Headquarters Compound. The number of carpool/vanpool spaces allocated prior to the revalidation was 1169 and 7 respectively. This equated to approximately 2,408 employees. The revalidated carpool/vanpool allocations, based on applications received through 7 February 1986, are 892 and 10 respectively. This equates to approximately 2,058 employees. STAT [redacted]

III. Significant Events Anticipated During the Coming Week:

None.
